*"Romance, like hot butter on chiffon or the sentimental mystery of love gas.
This is our greatest yearning.
The most romantic creature? Birds..."*

Jim Moir

We are delighted to announce our forthcoming exhibition of paintings, drawings and watercolours by the multi-talented **Jim Moir** b.1959 (aka Vic Reeves).

The show will feature new works, and will run from **20th February to 4th March 2020** at **Grosvenor Gallery** in St. James's London. The artist will be in attendance at an invitation only private view on Wednesday 19th February.

Jim's inspirations are wide ranging, encompassing celebrity, nature, architecture and peculiar fantasy assemblages. The product of a constantly creative mind, **Moir says of his art;** *"I think putting your imagination on canvas or a television screen is the same thing. If you've got an idea you have got to have an outlet for it. So if it's painting, poetry, singing or acting it all comes out somewhere."*
