“In this current atmosphere, one can become very depressed, but fortunately for me there are the Bandwallas who are still making noise. When I’m painting them, I have to concentrate fully on them. The Bandwallas take prime position in my life right now.”

“The sitting room is hardly a sitting room per se; my wife Renu reads a lot so has all her books around. It is part library and part studio with furniture that has to be moved from time to time. It is a completely new experience moving away from my usual studio in the basement. I have to look for paints on the ground which are all mixed up and improvise but it’s all a part of the game in the end.”

“Painting from my sitting room, I am surrounded by all my friends; Husain, Gaitonde, Raza, Tyeb, Padamsee.....etc their paintings are all around me and have become a part of me“. I feel that they are all still with me and that is a happy thought.”

Krishen Khanna, April 2021
